The attached information concerns deliveries to the SMV [redacted] 25X1A  
The deliveries from Austrian firms to the SMV are shown in Annex I; Annex II  
lists SIV imports and a few exports to Maszalai, the Hungarian Soviet Oil  
Company. As previously reported, [redacted] the SIV Purchasing Office 25X1A  
had allegedly been ordered by the General Directorate in Moscow to cancel  
orders with both USIA and Austrian firms. However the SIV is reportedly  
continuing to import the goods that were ordered prior to the cancellation.
